Could you love a beautiful lady with an attitude?

“My name is Miss Kitty.

I have been a long time resident of the shelter and would really love a home of my own. I used to be an office kitty back in the old building. Since we moved to this building I have been living in one of the Cat Colonies.

The reason I have been here so long is that I have attitude! Most people do not understand me. I need someone who will give me some space. I can be affectionate on my own terms, but sometime I become over stimulated and can nip or scratch.

I would prefer to live with only a few other kitties. I’m not crazy about the idea of living with a lot of other cats.

Could you be the right person to love me, attitude and all?”
