3 days of Inspirational & Practical Presentations from International & National Industry Leaders

The Summit is a unique “must attend” event for all those involved in Australia’s companion animal policy and practice—including those working in all levels of government, the not for profit welfare, shelter and rescue sector, veterinary and pet industry sectors and the research community.

Come and be involved in this unique and significant industry forum leading Australia’s approach to saving the lives of abandoned companion animals.

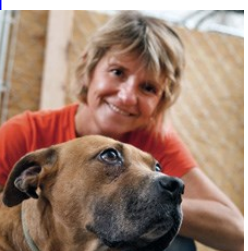

PRACTICAL MANAGEMENT Sharon Harmon has been an animal welfare professional for almost 30 years. She has been the leader of Oregon Humane Society, the state’s largest and oldest animal protection organization since 1998. OHS has a 98% combined save rate. She has chaired the American Humane Association Shelter Advisory Committee and is the immediate past president of the National Federation of Humane Societies.

SHELTER MEDICINE A pioneer in the field of animal sheltering, Dr Lila Miller has over 30 years of experience at the ASPCA. Co-founder of the Association of Shelter Veterinarians, Dr Miller taught the first shelter medicine class at a veterinary college (Cornell). She lectures extensively on shelter medicine and anti-cruelty topics. In 2008, she received the American Veterinary Medical Association’s prestigious Animal Welfare Award. Dr Miller is co-editor of the only two text books on shelter medicine.

ANIMAL MANAGEMENT Mark Kumpf is the Director of Montgomery County Ohio Animal Resource Centre. He has served as a consultant and expert witness on numerous animal fighting cases nationwide. He is a frequent contributor to the National Animal Control Association News and Animal Sheltering Magazine. Mark is a Certified Animal Welfare Administrator and sat on the Board of NACA for 10 years. Mark regularly presents at animal sheltering and management conferences in the USA and around the world.

ANIMAL TRAINING & REHABILITATION Pamela Reid is the Vice President of the ASPCA Animal Behaviour Centre and is a certified applied animal behaviourist. Pam is an adjunct professor at the College of Veterinary Medicine, University of Illinois. Pam lectures worldwide on animal behaviour, learning theory, and agility training. She writes award-winning articles for both professional journals and popular magazines and is author of several acclaimed books.
